INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Guru Nanak Foundation of America, Inc.
12917 Old Columbia Pike
Silver Spring, Maryland 20904

We have audited the accompanying statement of assets, liabilities and fund balance of Guru Nanak Foundation of America, Inc. (a nonprofit organization) as of December 31, 2007 and 2008 the related statements of support, revenues and expenses on a modified cash basis for the year then ended. These financial statements are the responsibility of the organizations's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of assets, liabilities and fund balance is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of assets, liabilities and fund balance. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion the financial statements referred to above present fairly, in all material respects, the financial position of Guru Nanak Foundation as of December 31, 2007 and 2008 on a modified cash basis of accounting in conformity with accounting principles generally accepted in the United States of America.

GURU NANAK FOUNDATION OF AMERICA, INC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2008

A. Summary of significant accounting policies.

1. Organization.

Guru Nanak Foundation of America, Inc. is a non profit organization incorporated under the laws of the State of Maryland, on July 1970. The objective is to promote religious, educational, social and cultural aspects of Sikhism in the Washington DC metropolitan area.

2. Financial Statement Presentation

The Foundation maintains its records on the cash basis of accounting. Under this method of accounting, revenues are recognized when received and expenses are recognized when paid, except that property and equipment are capitalized and depreciated over the estimated useful lives of such assets.

3. Income Taxes & Real Estate Taxes

The Foundation is exempt from Federal and State income taxes under the Internal Revenue Service Code Section 501(c)(3) and therefore has made no provision for these income taxes. Furthermore, the Foundation has gained the exemption from Montgomery County for exemption from local real estate taxes effective January 1, 2005.

B. Property & Equipment

In October of 2001, the Foundation purchased approximately ten acres of land in Silver Spring, Maryland for \$1.8 million with the objective to construct a new building for its religious and cultural activities. As of December 31, 2005 no construction has been started and the entire amount of the purchase price has been classified as non-depreciable land. Over the years some part of the land was relinquished to the County consequently, the aggregate cost has been brought down to 1,584,817. Generally Accepted Accounting Principles require that the assets be recorded at historical cost. This is not the market value.

C. Long Term Liabilities

The Foundation is obligated to International Association of Machinists and Aerospace Workers for the purchase of the land. Obligation is incurred as of December 1, 2001 in an original amount of \$1,450,000 with an interest rate of 7% interest and is secured by the real estate. The monthly mortgage payment is \$ 9,640 including principal and interest, with a balloon payment after 12 years, (year 2013). It is estimated that the balloon payment would be \$ 1,233,584.

Statement of Revenues and Expenses reflect the interest component of the monthly payments. The principal component of the payments reduces the liability reflected on the balance sheet under long term liabilities.

<u>Year Ending December 31,</u>	<u>Amount</u>
2009	\$22,390
2010	\$24,009
2011	\$25,744
2012	\$27,605

D. Repayment of Loans

In the year 2007, couple of members of the congregation had loaned Guru Nanak Foundation of America, Inc \$10,000 to be able to avail of the opportunity to settle an outstanding balance due attorneys for 2001-2004 period issues. The loans were repaid in January 2008 and reflected in these statements as repayment of loans.

GURU NANAK FOUNDATION OF AMERICA, INC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2008

E. Non Cash Contributions

Contrary to the accepted norms and trends, GNFA, Inc has issued receipts non cash donations for Lungar and in one instance for clothes. This is not in accordance with the generally accepted accounting principles. The amount of income so recorded was \$ 34,329, the amount of non cash expenditures recorded amounted to \$ 42,954. The difference between the two has been adjusted into the fund balance on the statement of assets and liabilities and fund balances as of December 31, 2008.

F Membership Escrow Account

On September 23, 2008 a new account bank account was opened to collect membership dues received prior to the cut off date for participation in the general body election. There was a disagreement as to the eligibility of some of the applicants, hence the funds were put in this escrow account. This amount is \$17,632. which is a component of Cash at Bank. As of December 31, 2008, the funds were not returned.
